ELEGANZA

INTRO- DUCTION

AT ELEGANZA, WE HAVE OVER 5 YEARS EXPERIENCE IN KITCHEN DESIGN, INSTALLATION, AND INTERIOR DESIGN

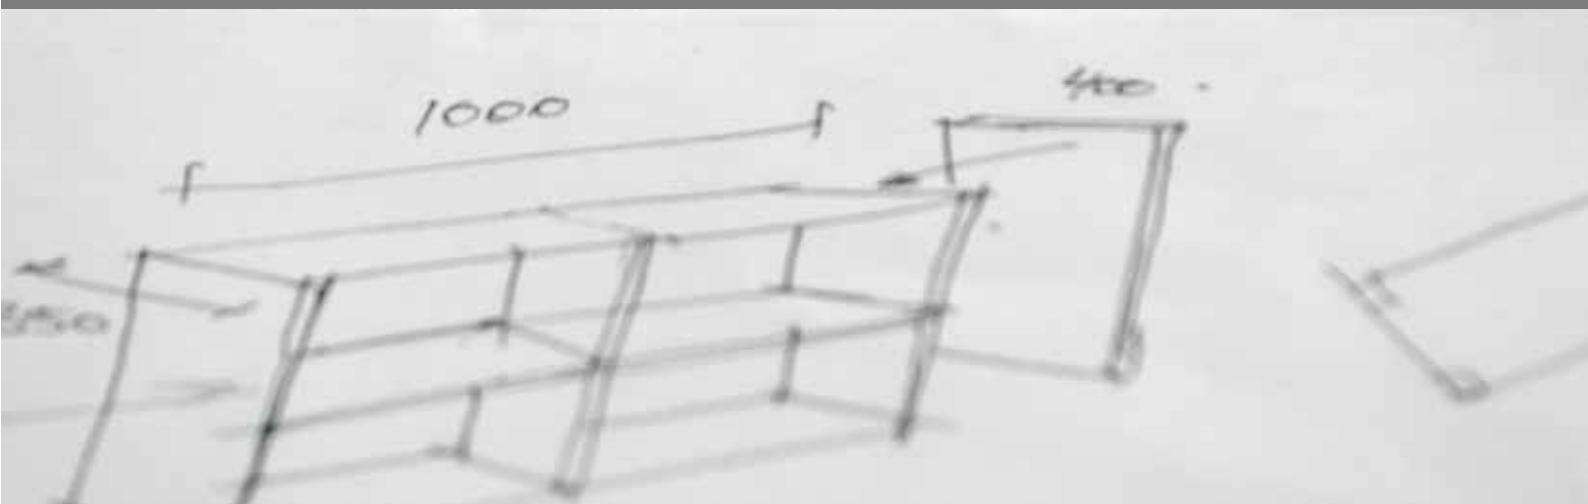

We offer a design-led service based specifically on our clients' requirements, unlike many kitchen retailers, whose design wizard tool crams as many of their units as possible into the space available, without much actual design input or consideration to individual needs. But that's not to say we can't fit a lot of storage into a small space, because we offer a bespoke service, we can provide units that maximise the space available, rather than offer units in a range of standard sizes.

We pride ourselves in manufacturing to the highest specification, using the highest quality materials, carcass are made of 18mm thick chipboard high density and adjustable shelf with (melamine laminated) wooden texture door face and high glossy face, all Made in ITALY, with 10 years guarantee.

At ELEGANZA you will find a complete range of styles, colors and designs to suit every budget and taste. Our fitted kitchens are long-lasting, practical, stylish and will add value to your house.

Our experienced and friendly Designers will work with you to create a kitchen to suit your lifestyle, needs and budget. We use the latest in CAD technologies and can also provide excellent hand sketches in guiding you through your options and creating a 3D design of your ideal kitchen, this gives you the perspective of viewing your kitchen before even having it manufactured. We also offer our customers the opportunity to have Bathrooms, Laundries, Wardrobes, Tables and TV or Buffet Units etc.

INSPIRE DESIGN | CREATE

CABINET INTERIORS

Our extensive range of contemporary kitchens, all offer exceptional design, incorporating storage solutions and intelligent functionality to make everyday life in our kitchens both easy and stylish.

The price of your kitchen will depend on many factors, with the most influential being the size/quantity of units, the finish and the internal accessories, basketware and wirework required (i.e. pull out larder, magic corner, metal trays and baskets etc).

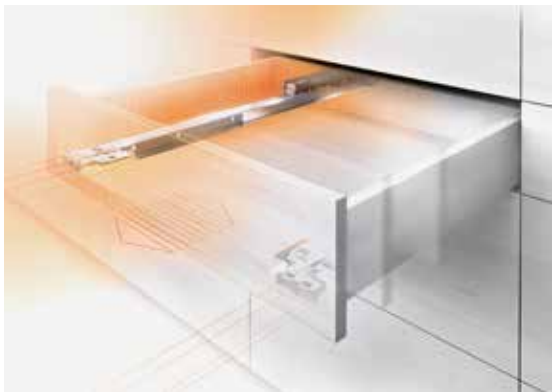

ACCESSORIES

The special hinges are concealed, and you will love the experience of opening and closing your pieces of kitchen. Some of the kitchen accessories include lift systems, clip top, as well as compact and modul. ELEGANZA uses advanced fittings that will make you enjoy the motion of your pieces of kitchen, particularly in the kitchen. We will enhance your opening experience with Blumotion.

The servo-drive mechanism requires just a little pressure on handleless fronts or a light pull on handles to open them. You can use this system hand in hand with tandembox pullout systems. You can use the system with Blumotion. Get more experience in your opening experience with SERVO-DRIVE.

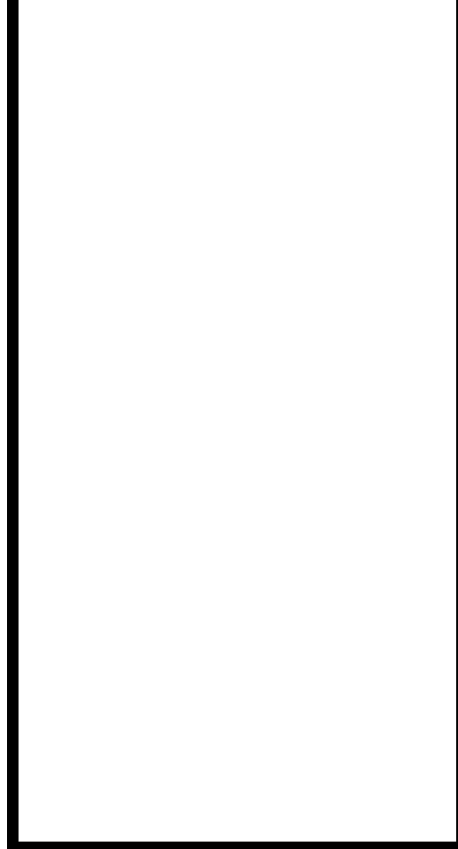

Worktops

Silestone® is the world's leading producer of quartz surfaces designed for high-quality kitchens and bathrooms, including countertops and sinks with advanced bacteriostatic technology.

Silestone® is the only brand that offers a certified warranty in writing. Only a global leader could once again draw ahead of the pack and offer a genuine 25-year transferable warranty for Silestone®.

**CORIAN® SOLID SURFACES OFFER
HOMEOWNERS, ARCHITECTS, AND
DESIGNERS A WIDE RANGE OF
DESIGN CHOICES AND POSSIBILITIES
FOR AESTHETIC EXPRESSION.**

Flowing, virtually seamless, organic shapes, bold effects of color and translucency — if it can be imagined, it can be created with DuPont™ Corian® solid surface. Corian® is available in a vast range of trendsetting patterns and tones, as well as your own custom-designed colors. In baths and kitchens and beyond, throughout homes and hospitals, restaurants, and public spaces, Corian® solid surfaces deliver high performance and outstanding aesthetics. A signature DuPont innovation, Corian® solid surfaces continue to evolve and to inspire unprecedented creative flights of design fancy, combined with functionality.
